

The Ladies Group is now a fixed item on the parish calendar. Last year we had a bowling evening, much enjoyed by those who attended. After a successful dinner in December, the January meeting was a showing of Chocolat, again well supported. February saw us having a games evening, which produced much hilarity, even though it might have strained our brains a bit. An energetic evening with Zumba followed in March, and next week we will have a session of hand-bell ringing, which although hard work, will be satisfying. Watch for news of forthcoming events!
